Dear Mr. Jensen:

The Division received your application to update the officers and directors of the Savage Coal Terminal on August 30, 2004. We are returning this to you so that you can identify the beginning dates for the officers and directors. A certification from you, as Secretary of the Corporation, is also requested.

Two copies that were submitted to our office are enclosed. We look forward to receiving your revised plans. If you have any questions, please call me at (801) 538-5268.
